NURSERY UPDATE

Changes are happening in the church nursery in order to support our parents with young children. We need your help in making our church nursery a first class facility where little Presbyterians can grow in Christ's love.

We are looking for a new **Nursery Attendant**. This person will be responsible for the safe keeping of our young ones. The hours are from 7:45 to 12:45 every Sunday. This is a paid position. If you know someone who can give loving care to our little ones, please have them contact Cherie Matthews 732-642-6495 or send their resume to cheryl6495@verizon.net before July 28th.

Also, needed is a **Nursery Coordinator**. This is a volunteer position. This person will report monthly to the Worship Commission on the status and needs of the nursery, and needs to check in weekly with the Nursery Attendant to ensure that nursery procedures are being followed. For more information on how you can serve in this role, also call Cherie Matthews 732-642-6495.

While these changes are taking place, the nursery is open Sunday mornings for all 3 church services from 7:45 to 12:15. It is located in the dance studio adjacent to the Algonquin Theatre

BY FAITH, WE BUILD

ALL HANDS ON DECK!!!

In response to a request from Tom Henderson and his team, 55 enthusiastic volunteers stepped forward to assist with the Church move on Saturday, July 12. With lots of muscle and good humor, stacks of chairs, boxes of hymnals and Bibles, lengths of carpet, a number of tables, and additional items of all sizes (including the pulpit) were tightly packed onto the moving truck and transported to Sea Girt, where they were unloaded and stacked neatly in the storage unit. The move went smoothly, under efficient leadership, and was completed in good speed. Many thanks to all who participated!

See the photos in the Algonquin lobby, with pictures of the recent move.

The renovations continue to progress on schedule. The following has recently taken place, or happened during the last week:

- The stained glass windows have been removed and sent for repairs
- The removal of the lead base paint in the church basement is complete
- The organ console was removed July 15th
- Demolition is continuing in the church sanctuary building

Please note that THE CHURCH SANCTUARY BUILDING WILL BE CLOSED DURING THE WEEK OF July 28th due to the removal of asbestos. THERE WILL BE ABSOLUTELY NO ADMITTANCE TO THE BUILDING.

IMPORTANT: The Blue envelopes, for pledging to By Faith We Build Campaign can be picked up in the lobby of the theater, as you enter, on Sunday mornings. They then can be placed in the offering basket for collection. Thank you for your continued support.

ORDINATION/INSTALLATION OF NEW DEACONS

Marge Moore - My husband Bill and I joined the church in the 70's. We have two sons and a daughter and eight grandchildren. I have been a moderator of the PW Association, church treasurer for fifteen years, Sarah Circle Bible study leader, and active at the Presbytery PW association. I am looking forward to being a Deacon this coming year.

Jules Morales - Jules joined our church in April of 2005. He is an avid car fan - especially imports, but any car will do! Jules also loves music and movies and especially his wife, Susyn, and his son, Julian. Jules and Susyn were married in our church in May of 2006. His son Julian is 14 years old and will be starting his sophomore year in South Plainfield. Jules was seeking to become more involved with the church when he got the call to serve as a Deacon and he jumped at the opportunity! He is looking forward to being a part of the great ministry that our Deacons provide.

Mark Olsen - Mark Olsen has lived in Wall Township for six years with his wife Kate and two children, Malia and Andrew. He has been a member of our church since 2004 and was formally a member at the First Presbyterian Church in Caldwell, NJ. Mark enjoys his position as Director of Operations at Kerwin Communications. Some of his interests are baseball, golf and skiing and he is looking forward to serving as deacon.

John Schmidt - John joined First Presbyterian in January 2006 and has been active with the Men's Ministry planning various sports outings for church members and their family and friends. He and his wife Cheryl live in Manasquan with their two children, Brinley and Carter, ages 9 and 8. While John enjoys spending the majority of his time with his family, playing ice hockey and coaching the kid's sports teams, he also makes time to operate his business. *The Clean Team*, which provides cleaning and sanitizing services for sports equipment and is based in the Wall Ice Rink.
