EXCITEMENT IN THE AIR! As we near completion of our church project, Bob Burkitt, Construction Manager, reports that this past week marked the following accomplishments:

- Striping of the parking lot has been finished, and we should be able to go for a final site plan inspection now.
- The organ speaker cabinets have been installed.
- The elevator parts have arrived, and their installation has begun.
- Painting of the window frames in the church has started.
- The large cross has been hung once again.

Bob reports that the sanctuary is now almost complete! We all anticipate with great excitement our soon-to-be move back 'home'! For your safety in these final weeks of construction, we appreciate your not visiting the church and, also, your keeping the parking lot clear of vehicles.
