

The Adult Christian Education Committee announces their upcoming classes for the fall 2008 semester. Please join us as we kick-off the new Adult Christian Education classes on Sunday, September 7th. Here is the information about the classes. Please make a commitment to join a class and you will find your spiritual life renewed and refreshed as we study together.

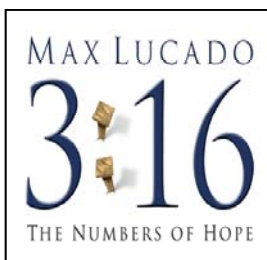

“When The Game Is Over, It All Goes Back In The Box” - Sundays 8am - Room L-3 in the Christian Ed. Building - (John Ortberg - author) - Life is like a game. It moves towards a goal, has rules to follow and won't go on forever. Rather than striving to be Master of the board, John Ortberg reminds us the object of life is to be rich towards God – loving Him and loving others.

Family Matters - Sundays 9:30am - Room L-5 in the Christian Ed. Building - The Family Matters class covers topics relating to parenting and marriage. This is a wonderful gathering of newly-married and Christian parents looking to learn more about their family life and walking with the Lord. All are welcome.

“John 3:16 - The Numbers of Hope” (Max Lucado - author) - Sundays 11am - Room L-5 in the Christian Ed. Building - John 3:16 is perhaps the best known verse in the Bible. “God so loved the world ... that He sent His only Son into the world”. Max Lucado delves into this “hope diamond of the Bible” phrase by phrase.

Discovery Bible Study - Wednesdays, 7:00 p.m. - Fellowship Hall - As Wednesday evening Bible study enters another full year, it's time to continue on our journey of learning and growth in Christ. We've blasted off and are now totally up to speed, so we're renaming our course DISCOVERY BIBLE STUDY. Can you find an hour a week to learn the language of God, to come closer to Jesus through his word, to gain new insight into how God is dealing with us, past, present, and future, to find strength and hope? We'll start with prayers at 6:50 and begin the study promptly at 7 so we can finish on time at 8 and let choir members get to their rehearsal. Give Discovery a try. You'll be amazed at what you can find!

Genesis Bible Study - continues - 2nd & 4th Wednesdays of the month at 6:30 p.m. in the Library. - Genesis is a book of beginnings: the origin of the universe, birth of the human race, founding of the Hebrew nation. It lays the foundation for great themes prominent in the Old and New Testaments. You will find the stories of Genesis mirror some of your own experiences, reflecting the way God wants to lead you into new ways of knowing and serving him. Using the study guide *Genesis, God's Creative Call* by Charles and Anne Hummel, this study continues with Joseph and the migration to Egypt starting with Chapter 37.
