

### **A Message from Pastor Steve**

At a special meeting on May 12, Session approved the recommendation of combined BFWB committees and the project manager for hiring ***Church Restoration, Inc.*** from Pittsburgh, PA as the contractor for our capital project of church restoration and renovation. Together with this news it is my joy to announce that \$962,669.83 has already been collected to date on our pledge commitments. How grateful

we are to have such a loving congregation that has devoted themselves to the success of this project.

### **By Faith, We Are Now Ready To Build!**

A Ground-Breaking Ceremony is scheduled for June 22, 2008 at 12 PM following our 11 AM worship service. Immediately following the ceremony, there will be a luncheon in Fellowship Hall. Please save the date and come as the church family to celebrate this historic event in the life of our church.
