Christian Leadership Institute: Your time to shine!

The Christian Leadership Institute (CLI) is a program that provides Christian leadership development opportunities for **young people who have completed their freshman, sophomore or junior year of high school.**

The five day program, July 9-13, 2007, includes a series of training workshops, group activities and prayer experiences while fostering personal and spiritual growth.

The goal of CLI is to enhance the leadership potential of each individual and heighten the awareness of participants' Christian leadership responsibilities within their parish community. If you are interested in attending CLI, you must make a commitment to serve on the Youth Ministry Core Team for one school year. During the week long experience, participants are given opportunities for worship, private reflection and fun!

CLI is sponsored by the Archdiocese of Louisville Office of Lifelong Formation & Education

The cost for this worthwhile program is \$220.00 (includes tuition, room and board). Please do not let cost be a factor in your decision, we will be happy to help & so will the Archdiocese (financial aid is provided on the basis of need and upon request).

If you are interested, please contact Ilana for more information, to contact a past participant, and to get application materials. The deadline for application and \$25 deposit is May 22, 2007. It is truly a challenging and amazing experience!

CrossWalk: Creating Community

High school students having completed their freshman year are invited to build community with youth from across Louisville and work for justice through prayer, reflection, listening and sharing.

In it's fourth year, Cross Walk, created by CrossRoads Ministry, an outreach of St. William Church, aims to give youth an urban mission experience. We tend to forget that those who live on the margins of our society, the poor, the hungry, the lonely and the oppressed, can be found in our own community. The creators and leaders of CrossWalk try to make us aware of this fact and to spur us into action! The action of recognizing the marginalized as our brothers and sisters; the action of prayer; the action of making decisions in our lives that will make a positive impact on the world, and the desire to create a more just society.

This years' program will run June 11-17. The cost for the experience is \$250, which covers meals and lodging. Those wishing to attend must be endorsed by their Youth Minister, Pastor, or teacher. Please contact Ilana for more information and registration materials.
