## Youth Sunday

On Sunday, April 29 the youth group will be leading the regular 10:55 worship service. This is more than an opportunity for the youth to be seen and heard. We have been talking about Christian worship—why we do it, what gives it meaning, and how to plan it well. We have discussed healthy Christian worship that starts with scripture and involves elements that stir congregants toward an encounter with the Living God. We will bring these ideas to the table as we continue to plan worship over the next couple of weeks. Youth will be leading in all aspects of worship from greeting to preaching. We hope that this will not only be a meaningful time of worship, but that it will also help the church to better understand ways in which young people connect with our creator. Please come and support our church's young people as they lead us in worship!

### Youth Earth Day Camp Out

The youth will be camping out at the Whitfield Farm on Friday, April 20. Pick up will be Saturday morning. The cost is \$5 per person. Sign up with JD by April 18.

We are still in need of a few tents. If you have a tent we can borrow, please bring it by the church.

Youth ministry is an engaging and enriching part of our church life. Our goals are to develop youth spiritually, cultivate biblical literacy and theological depth, and create beloved community rooted in love and lifting one another up! Summer time, when school is out, is a great time of year to participate in youth activities, but it can soon get busy... and expensive. We have an exciting summer ahead this year: camps, missions, and other fellowship and spiritual development opportunities. We are blessed to be in a church that supports its young people and provides these opportunities, but as summer approaches we need an extra boost to make it all it can be! We will be hosting a spaghetti luncheon after church on Sunday, May 6. The Youth Committee and members of the youth group will prepare and serve the food, and we need you there to eat it! We will not be selling tickets, but instead will be taking donations. Any amount that you can give will be helpful! Please plan on eating lunch with us in the Fellowship Hall immediately after church on Sunday, May 6. Thank you!

### Graduate Recognition Sunday

If you will be graduating from high school, college, or graduate school, we would like to invite you to participate in our graduate recognition service on Sunday, June 3. Also, the Baptist Men would like to honor you and your family at a breakfast at 8:30 that Sunday morning. Please call the church office and let us know if you plan to participate in the breakfast and/or service by Monday, May 21.
