I understand that I am being commissioned to discover and explore the promises God has given to us as members of God's family. I am a very influential person. As a Helper/Leader in VBS, I will exert a measure of influence over many lives. A significant means of influence is to give sacrificially of my time and talents to the cause of Christ. I have responded willingly to a position of influential service. I pledge that I will be a positive influence and role model in the lives of the students I will teach. I will participate with them in understanding, appreciating, and responding to the challenge of Vacation Bible School.
