

The Cathedral Church of Saint Andrew

CHAPTER COMMITMENT STATEMENT

As God's people, living in our Baptismal Covenant and called to lead St. Andrew's Cathedral, with God's help we commit ourselves to:

Do God's work and glorify His Name.

Lead and be stewards of our church.

Model a community for the congregation.

We will do this with the values of:

Kako'o (to be supportive);

Lokomaika'i (to be generous with our ideas, our treasure, and ourselves);

and

Lokahi (to be harmonious as we work).

We will do this by:

Loving God, our neighbors, and ourselves;

Worshiping regularly and making prayer our way of life;

Attending Chapter meetings regularly and conforming to the By-Laws;

Being the visioning body for the church and letting Christ lead us
beyond where we ever imagined;

Supporting the co-mission system and the strategic plan;

Planning and providing the resources to enable the church's ministries;

Caring for and nurturing our clergy and each other by speaking in love;

Recognizing that all we have and all that we are is a gift from God.
