## ALL SAINTS' EPISCOPAL DAY SCHOOL

Dear Friends,

Thank you for being a vital part of the success of All Saints' Episcopal Day School, and for your kind and generous support of our recent Golf and Gala weekend. We are so pleased to announce that your gifts to this inaugural fundraiser have generated approximately **\$90,000** for our school's "**Building Strong Foundations**" campaign and construction project. We are truly grateful for your contributions of time, talent, and financial resources. We received hundreds of amazing gifts from Board members, faculty and staff, parents, grandparents, and friends. Additionally, our tremendous success is due to the efforts of our volunteers who spent countless hours working on the event, and their dedication was evident throughout the entire fundraiser. We simply would not be experiencing this extremely positive outcome if it were not for you. We know that you share in our excitement and our success!

It is also our pleasure to invite you to a celebration of **groundbreaking** for the new Multi-Purpose Building, Pavilion, Media Center/Library, and Administration Building on **December 18<sup>th</sup>**. Through the success of many fundraising efforts, including the recent Golf and Gala event, as well as the detailed financial planning of our Board of Directors, we are now able to begin construction of these much needed facilities.

We hope that you will make plans to join us on campus on December 18<sup>th</sup> to experience first hand the very positive impact your gifts have made in the lives of our students. Thank you again for your contributions, which will continue to make All Saints' a place of sound learning and new discovery for our current students and for generations of children to come!

Sincerely,

Joan A. Pennstrom, Headmaster

## Inaugural Golf Classic

More than 100 golfers came together in support of the "Building Strong Foundations" campaign at the golf tournament.

A Pairing's Party at the home of **Jim and Candace Brown** kicked off the three day event. Golfers had the opportunity to gain a competitive advantage by bidding on local golf pros to play on their teams. Re/Max World Long Drive Qualifier **Shane Ferguson**, former Clemson University assistant basketball coach **Tommy Gaither**, **The Honorable Kris Crawford**, and members of the **Francis Marion University golf team** and their coach were among the local pros and celebrities up for auction. Not only did the golfers have a great

time enjoying food provided by **Roger's Barbeque**, but the pro auction raised over \$6,000 for the building fund.

Due to rain on Friday, the 26th, the golf tournament had to be rescheduled for November 9th. Twenty-six teams joined us at the Country Club of South Carolina on the 9th for tournament play. After a leisurely afternoon of fun, food, and golf, the members of the **Raceway Automotive Group** pulled out a first place win. **Kennedy Breeden**, **Jim Hyman**, **John Ramsey**, and **Alex Thompson**, along with their pro, FMU golfer **Jacob Tveit**, shot a 53. The team took home 4 rounds of golf at The

Reserve at Litchfield for their efforts. **ADP** team members **Jim Brown**, **Willard Dorriety**, **Christian White**, and **Billy Hoylen** came in second place with a score of 55. Third place went to the other **ADP** team of **James Aiken**, **Bubba DuBose**, **Mike Scatturro**, and **Matt Tyler**. **C-Square Enterprise** team members **Charles Conner**, **Chuck Conner**, **Herb Jacobs**, and **Robbie Robertson** claimed fourth place with a score of 56.

**Photographs** of the event are available. Please contact **Leslie Olsen** in the Development Office at 662-8134 or [loslen@aseds.com](mailto:loslen@aseds.com).

## Oh What a Night!

Over 400 people gathered at the Florence Country Club on Saturday, October 27th for the **Gala** celebration. Silent auction items filled every room in the club. Framed pictures of All Saints' students decorated the halls as a reminder of the event's purpose: new facilities for our children.

All Saints' grandparent, **Archie Moody**, served as the auctioneer for the live auction part of the evening.

The live auction included vacations, tickets to sporting events, playhouses, and special events with our headmaster! Over **\$52,000** was generated from the **25 live auction items**.

Once the live auction closed, people began bidding on their favorite silent auction items. Projects and artwork made by the children, and special times with teachers generated much excitement.

*The O'Kaysions* kept the party going into the wee hours as dancers enjoyed the music. Volunteers worked diligently to help auction winners claim their items as the evening came to a end.

**Photographs** from the evening are available. Please contact **Leslie Olsen** in the Development Office at 662-8134 or [lolsen@aseds.com](mailto:lolsen@aseds.com).
