

Spanish News

Dear 1st Grade Parents,

Hola! I am very excited about teaching your child Spanish this year. I hope to be able to do many fun and exciting activities with your children. In the first months of school we will be reviewing the Spanish songs and units that we did in kindergarten. These units include *basic questions, numbers 1-30, colors, animals, weather, days of the week, parts of the body and food*. Most of this work will be done orally. Later on in the year we will be learning clothing, months and seasons, classroom vocabulary, and the home. I many also send home work in the Friday folders for you to see. Please ask your child what he or she has done in Spanish each week.

I want this year to be fun as well as rewarding for your child. I realize that there are some new students who have never had Spanish. I will try and help these students in class as well as send home song and vocabulary sheets when I feel it would help them with our activities.

If you have any questions please call me at All Saints" at 662-8134 on Tuesday or Wednesday or at home at 661-7879. You many also email me at senoraammerlaan@aol.com or sammerlaan@aseds.com.

Muchas gracias y adiós.

Señora Ammerlaan
