

## Weekly Prayer Requests and Praise Reports Sheet

- † This sheet is updated weekly by the Prayer Force as a means of sharing the concerns and praises not only of the members of McKendree UMC, but of anyone who requests our prayers.
- † No request or praise will be listed unless the *requester* has asked that their concern be made public.
- † Guidelines for the Prayer Sheet:

- The Prayer Force would like contact information from those who make the prayer request or praise report
- Requests will remain on the list for one month, unless updated
- If the request is ongoing and you would like it to remain on the list, please submit an update within the month
- Requests and praises will be received via the church web site, phone calls to the church office and prayer/praise forms located in the pew backs and placed in the offering plate or box outside in the narthex.
- The list will be printed and placed on the narthex table on Fridays before the Sunday it is dated for. Any requests received after Friday morning will go on the following week's list.

- † To receive a copy of the Prayer Sheet via email, send us a note at [prayer@mckendreeumc.org](mailto:prayer@mckendreeumc.org)
