

# Adult Education Opportunities

## Sunday Morning

Starts January 25<sup>th</sup>, 2008

### **Experiencing God**

**8:30-10:15am, Room 314**

This study helps you realize a personal relationship with God in seven ways: Knowing, loving, hearing, joining, believing, obeying and experiencing. God is not simply the subject of our Bible study. Rather, He is a person who loves and longs to enter into relationship with us. This 12-week study uncovers how God longs to share Himself, His purposes, and His ways with each of us so we can more fully share in His mission to this broken world. Sundays, 8:30am to 10:30am.

### **A New Historic Study on the Early Church**

**9:15am, Room 308**

Six week series, "From Christ to Constantine: the Trial and Testimony of the Early Church." This study covers the first three centuries of Christianity. How did the fledgling church survive, thrive and begin to spread into foreign lands? What does the ancient church have to share with us today?

### **Leadership From the Heart**

**9:15am, Room 305**

This 10 week study will help you to learn to lead with love and skill as you: draw near to God, grow in spiritual maturity, discover God's plan for your life, live the great commission, transform community, renew the church, serve in the community, prepare God's people to serve and care for the people you lead. Leadership is an important responsibility, with ultimate accountability to God. This is an offering for *all* who lead others. ### **The Truth Project**

**10:30am-12:30pm, Room 314**

According to the Barna Research Group, only 9 percent of professing Christians have a biblical worldview. We yearn for a personal sense of significance, we spend our money and time on things that fail to satisfy and we begin to wonder what life's ultimate purpose really is. Are we losing our bearings as a people and a nation? This study is the starting point for looking at life from a biblical perspective. We'll consider in detail the relevance and importance of living the Christian worldview in daily life. Contact: Debbie
