

## What is Trinity School of the Arts?

Trinity School of the Arts (TSA) is more than just a continuing education program. It is a program where we bring together generations and provide teaching of skills that are sometimes long forgotten. Our instructors are men and women from our church congregation. They are passionate about their subjects, and their greatest desire is to pass on what they know to their students.

Our focus is to provide a place for students of all ages to learn, explore, or “try out” new skills, arts and crafts, various subjects, and hobbies. TSA provides students with the opportunity to heartily pursue their “out-of-school” interests, and develop or discover talents and gifts under the careful guidance and direction of our instructors.

We hold classes after school, evenings, and Saturday mornings. Our schedule allows you to enroll in classes without the demand of an extended commitment. Supervised childcare is available for the siblings/children of those taking classes right after school for minimal cost.

For a complete listing of classes offered, please refer to the Course Catalog listing found under “Schools” and “School of the Arts”. You can also call 410 – 4138 and we can help to answer any questions that you may have.
