Luke 13: 31-35

Jesus is in our midst whether we welcome Him or not. Facing death, Jesus continued to heal and perform miracles. Even today, Jesus faces violence, disdain and disbelief, yet He continues to walk among us healing and performing miracles.

Jesus wants to gather us close but we push Him away. We must desire His protection and seek His love. Many of us believe in Jesus but we continue to be self-reliant and deny the gift of a true relationship. If we want to know Jesus and receive the blessing of salvation, we must choose to follow, choose to obey and strive to please.
