## HAVE YOU DECIDED HOW YOU WILL MAKE A GIFT TO THE BICENTENNIAL RESTORATION OF TRINITY CATHEDRAL AND PARISH HOUSE ?

*“From everyone to whom much has been given, much will be required; and from one to whom much has been entrusted, even more will be demanded.” Luke 12:48*

Here are some ways to give:

### Cash and Bequests

**Unrestricted cash gifts**, whether memorials or honorariums, go directly to the restoration work. **Bequests** provide long-term maintenance support for the Cathedral and Parish House if designated for that purpose. Please contact Vance Bettis (799-9311), vice chairman of the Foundation, if you would like more information regarding proper wording for your will or for a codicil.

### Stock Gifts

Gifts of appreciated stock provide the cash that we need to do the work on the Cathedral and Parish House. Please contact John Moorman (790-6656) for further information on how easily this can be done!

### IRA Distribution

If you are at least 70 ½, you may be able to exclude from gross income up to \$100,000 a year of otherwise taxable IRA distributions that are paid directly to Trinity Foundation. Although tax-free IRA distributions to Trinity Foundation can not be deducted as charitable contributions, the distributions do count toward satisfying your required minimum distribution for the year. Contact your personal tax accountant or financial planner before IRA distributions are made, as certain rules do apply. Wade Stinnette (790-5800) or John Moorman (790-6656) can provide further information about using your IRA distributions to support the Trinity Restoration Campaign.

### Charitable Gift Annuity

If you are considering a gift, but would also like the security of income derived from that contribution, a charitable gift annuity might be a good option for you. Using an unrestricted charitable gift annuity, you can make a gift to the Trinity Restoration Fund in the Foundation and receive interest that is paid to you.

Although a charitable gift annuity doesn't support the short term construction and restoration, a gift annuity directed to the Trinity Restoration Fund in the Foundation in the long term can provide an endowment for maintenance of the Cathedral and Parish House.

If you are 75 or older, and would like to make a SINGLE LIFE UNRESTRICTED GIFT ANNUITY, please contact John Moorman (790-6656), former chairman of the Trinity Foundation, who will make sure that someone gets in touch with you.

Rates for 2007-08 suggested by the American Council of Gift Annuities follow:
