

The Trinity Foundation Needs YOU NOW!

2006 was a record year for gifts to the Trinity Foundation. Thank you for your generosity! Through the Foundation your gifts can grow and provide increasing benefits to the life of our parish. Please remember the Foundation in your long term planning and in your current giving.

The Trinity Foundation Commission is pleased to welcome new members Sally Harmon Caughman and Vance Bettis. Sally has agreed to serve as chairman of the Communications/Marketing committee. Vance has agreed to serve as vice president of the Foundation Commission. These two great additions to our team join Tommy Edmunds, Lyles Glenn, Frank Knowlton, John Moorman, past president, and Wade Stinnette, chairman of the Finance/Investment Committee.

The Trinity Foundation receives gifts in the form of memorials, honoraria, bequests, charitable trusts, and direct gifts of cash and securities. It also acts as agent for special purpose gifts that involve our church's mission work.

Over the past year, the Foundation hired Larry Woodrum, AIA, architect of our TCMM facility, to develop a plan and timeline for the RESTORATION of the CATHEDRAL and PARISH HOUSE. His work is almost complete. In order to commence actual restoration and repairs on the **inside** of the Cathedral, however, we must first solve the daunting problems of water leaking in from the **outside** of the Cathedral!

In the coming weeks you will notice installation of new copper spires (you can't miss the lift!), installation of louvers in the north and south towers, as well as preliminary investigation of the outside stucco. It will be hard not to notice the scaffolding!

This is only the beginning. Working as PARTNERS, the Foundation and Trinity Cathedral will together, with the help of each of you as parishioners, restore our sacred and historic place in time to celebrate our parish's 200th birthday in 2012! We need EACH OF YOU to participate fully in this effort. Please look to coming inserts in the Tidings and listen to further conversations about this important project.

Mary Rainey Belser
President, Trinity Foundation Commission

A Foundation Gift Idea *"Benefiting You and Trinity Foundation"*

If you are at least 70-1/2, and are thinking about making a charitable gift or donation, you may want to consider transferring a portion of your IRA to Trinity Foundation. Through 2007, you may be able to exclude from gross income up to \$100,000 a year of otherwise taxable IRA distributions that are paid directly to Trinity Foundation, a qualifying charitable organization. Although tax-free IRA distributions to Trinity Foundation can't be deducted as charitable contributions, the distributions do count toward satisfying your required minimum distribution (RMD) for the year. Please contact your personal tax accountant or financial planner before IRA distributions are made, as certain rules do apply.

Won't you consider a direct gift from your IRA to our Foundation this year? Please contact Wade Stinnette (business - 790-5800, home - 787-6715) or Alicia Chavis (771-7300) for further information.
