Why MOPS?

MOPS is a haven for soothing frazzled nerves and forming lifelong friendships. A place where you can gain encouragement from experienced moms and special guests who share Biblical truths and practical ways to fulfill the many roles of a woman: mother, wife & friend.

This year's theme and topics will celebrate and embrace the fun and the experiences that stretch moms emotionally and spiritually. Come rediscover yourself as we focus on reclaiming your identity as a woman, cultivating meaningful adult relationships, learning to ask for help when you need it, keeping hope alive, and much more.

We will also have fun with creative activities, brunches, and small group discussions while our children are taken care of by loving caregivers.

MOPPETS is our wonderful children's program that the kids get to enjoy while the moms are in MOPS. The MOPPET caregivers teach, care for and encourage our children through carefully

planned activities in age-appropriate groups. They will grow socially, creatively and spiritually. MOPPETS is as important to the kids as MOPS is to the moms. All MOPPET caregivers are screened and trained.
