

## Helping Others Change

### *6-week Discipleship Course*

Have you ever been at a loss for words when a friend admitted to having trouble in his/her marriage? Have you ever wanted to help parents who were struggling with their children, but weren't quite sure what to do? Have you ever wondered how to minister to someone in your small group, who has just shared a very surprising prayer request? Many of us don't feel equipped to minister to others in need of help. Though we may not feel equipped, we need to remember that our God does remarkable things through regular people. God has done more than merely make us recipients of his transforming grace; he has also called and enabled us to be instruments of gospel change in the lives of others. This course is designed to build a firm biblical foundation for understanding why people do what they do, how lasting change takes place, and how to be an instrument of change in the life of another person.
