

Journey to Nicaragua

June 15-23, 2018

For Adults and Youth (completed 9th grade)

Trip Overview

We will journey to Nicaragua to build relationships and learn from our partners in the mountain region of Kilambé, Nicaragua. The partnership is based on mutuality, accompaniment, and learning from one another. By staying in the homes of our partners we show respect and learn how much of the world lives.

Our partnership has existed since 2005 and has slowly grown as we have learned to trust each other and to work together. Our focus is education. We have worked in the schools with teachers and with children. We have provided scholarships and other support to community members.

Our partnership is facilitated by CEPAD (Council of Protestant Churches of Nicaragua) a community development organization that has been in existence for over forty years.

This mission trip will focus on:

- Fellowship with the Kilambé community in celebration of our partnership
- Meeting with community leaders to learn from each other and mutually share hopes and dreams for the future
- Workshops with community youth to support their life's journey
- Meeting with scholarship recipients and evaluating the impact of the program
- School improvement projects, painting and light construction
- Evaluate opportunities to support community development

Participants need to be in good physical and emotional health.

Participants need to commit to pre-trip training and meetings (March – May).

Estimated expense: approximately \$1,800 - \$2,000. Actual expenses will be finalized once airfare is purchased.
