

Career Transition Support Program

The Career Transition Support Program has changed! DCPC's "Career Transition Support Program" and Davidson United Methodist Church's "NetWorkers" program have merged. The new program, called "The Davidson Career Transition Program," will be a jointly sponsored program of the two churches. At the moment, the program will have two meetings per month, on the **1st and 3rd Wednesday mornings of each month from 10 to noon in room 216 of DUMC's Education Building**. Pastors from both churches have agreed to work with the program co-chairs and participants.
