180° Workshops

Workshops are opportunities for hands-on experiences that provide ways to interpret and apply the faith concepts that are presented at the worship and theme presentations. Select 5 and list them on the Registration Form.

- 1. LOL.....Life Out Loud:** Do you know people who live their faith OUT LOUD? How can you live YOUR life to make a difference or do a new thing? Come get fired up and fueled up by hearing, seeing, and experiencing stories of those whose lives have done a 180°- and make a 180° story of your own.
- 2. No Degrees of Separation:** One theorist says each person on the planet has only 6° of separation from every other person! But, though we are all on the same planet, we don't all have the same lives, opportunities, or families. This workshop will find ways to love our neighbors, both near and far. *Bead It Up* ~ make bead bracelets in the workshop and sell them to others for **Stop Hunger Now!**
- 3. OPEL: Ordinary People Extraordinary Lives.** How can you live a transformed and extraordinary life in your ordinary, run of the mill, catch the bus, text your friends, do your homework, go to soccer, practice the piano, take a shower, go to bed day? 180° has ideas and tools you can use (we welcome yours as well) for making life very OPEL.
- 4. Evil Happens:** We see it in our news and our world, in movies and TV. The question is, does evil have the final say? The answer is no! From Newspapers to the Good News, from lifestyles of the rich and famous to Kingdom living, finding the right angle makes all the difference in the world.
- 5. Unadjusted:** Romans 12:3 tells us not to adjust to this world, but to re-adjust to the way God calls us to live. How does this fit with what the world says about money, our bodies, our possessions, and other choices? Do a reality check on our culture, and get unadjusted.
- 6. Transformers:** Hollywood can make cars turn into RIDICULOUSLY cool, life-like heroes and villains! Nettawood will teach us what Romans says about *real* transformers. Come experience how flour, salt, play-doh, seeds, and butterflies can teach even movie makers a thing or two.
- 7. Scrap Exchange:** One person's junk is another person's art. Scraps of everything will be flowing from the tables, hanging from the ceilings, and falling out the doors in this workshop. Your mission is to transform it into art, expressing the life-changing ideas found in Romans 12.
- 8. Direction Correction:** Head up to Massanetta's Ropes Course and outdoor Labyrinth for some walking, some talking, and a whole lot of looking inward and outward. Using both group building and on-your-own activities, find your way with God re-aligned.
- 9. JAM Session:** Making music, listening to music, discussing lyrics, creating instruments—all this and more in our Massanetta JAM session. Music moves us and teaches us. Listen to powerful lyrics that teach and, while you listen, create an instrument of your own. *peacelovenetta*.
- 10. Nobodies Business:** Do you know someone who is considered a “nobody” by others? Whose business is it to help them out? Come find out from unlikely characters in story, music, movies, and TV, how we are called to be somebody to nobodies.
- 11. Makin' T.R.A.K.s - Leavin' T.R.A.K.s:** Have you ever received a “random act of kindness”? Have you ever given one? Doing a 180° is all about changing ourselves by changing our world- one simple act of kindness at a time. “Makin' TRAK's”—the video should hit stores by August.
