

A-B-C's of Online Giving

Access our website.

At www.clearcreekcoc.org click on "Online Giving Now Available!" On the next screen click again on "Online Giving."

Be prepared to login.

If you are not already registered in the database, submit the requested information and you will receive your login by email. If you have forgotten your user name or password, click on either and you will receive an email with your user name and, if needed, instructions on resetting your password.

Choose the amount of your contribution.

On the AccessACS screen, after clicking the Give Now tab, enter the amount of your contribution to the General Fund.

Decide when your online contributions will occur.

For recurring contributions, select on the same screen from the frequency options of weekly, biweekly, monthly or every three months. Also enter how long the recurring contributions should continue. Recurring payments will automatically occur on the same day of the week or month you register for online giving.

Enter your payment method and account information.

Debit and credit card options include VISA, Mastercard, American Express and Discover, but an e-check from your bank account costs the church less in transaction fees. For an e-check, enter your account number and your bank's routing number. ACS security features protect your personal data.

Find answers to your questions.

Use the help options on the website or call the church office if you have questions.
