

IMMUNIZATIONS

Type of Vaccination	Good for:	Cost
1. Hepatitis A	15-20 yrs.	\$23
2. Hepatitis B	Lifetime	\$29
3. Combo Hep A/Hep B	Lifetime	\$49
4. Typhoid (oral)	5 yrs.	\$37
5. Tetanus	10 yrs.	Free
6. Malaria	this trip	Will provide

- **Hepatitis B is not needed** but you will need Hepatitis A. Hepatitis B is only for individuals in contact with blood or body fluids.
- Call and make an appointment with the health center to get above immunizations. Visit by **appointment only M-F 8am-3pm**. Do not wait to make an appointment as it becomes difficult to get an appointment as the summer approaches. The phone number is 209-8340. The address is Main Health Center, 921 E. 3rd Street, Chattanooga (located beside Erlanger Hospital). Ms. Helton is the nurse with whom you will have the appointment.
- There is a \$20 visit fee, \$37 travel fee in addition to the cost of the immunizations.
- You must receive your immunizations no later than the middle of May.
- I will provide the malaria prophylaxis to you. You will take one pill a week for the week before we leave, the week we are in Haiti, and for the following four weeks. These need to be taken on a full stomach. Please notify me if you have any adverse reaction to this medication.
