Please pray for a friend of the Baldwins, 5yr. old Caleb, who was just diagnosed with leukemia and is being treated at John's Hopkins. Please pray for Caleb, for his parents (who aren't believers), and for his brothers (he has four, younger and older). Pray that the family will see God working in all of this.

We would like to thank everyone for prayers and well wishes for our daughter, Chelsea. She is currently doing better and is being eased back into her "normal" routines. We feel privileged to be surrounded by such an extended "family" at BEP. Thank you again! The Tyler Shores Family

Tom & Charlotte Cole have a loved one who is extremely sick with alcohol addiction. She is physically addicted and she wants to leave her husband for other things. God moves mountains and the Cole family has experienced unbelievable miracles. Please pray for this woman, her husband and their extended family. (all who have varying degrees of hostility to the Word.) Tom and Charlotte the words of hope without over stepping the boundary. Thank you for your prayers they are the sweetest gift you could ever give.

If you would like to put a prayer request on the prayer chain or in the Beacon, please email Brenda Fellows sptea@hotmail.com or Belinda Latta blattafam@netzero.net
