Come Outside Under the Big White Tent

1. **Silent Auction:** It's exciting to watch the children bid on donated items at the auction. This year we are asking for 4 items from each church for children ages 12 and under to bid on. These items may be purchased, handmade or items solicited from businesses. (Please no used items). Children love puzzles, games, balls, beanie babies, toy cars, trucks, books and baskets filled with surprises. We thank you for your wonderful response in the past and look forward to another fun and successful auction.
2. **Petting Zoo:** Bring your friends and everyone stop by the pens and enjoy the animals. This is always a fun part of the day for children & parents.
3. **Activities** are planned for the children, (story time, painting, puzzles, crafts, etc.). Toddlers are welcome to stay for one hour periods.

Encourage the young families with children to come by and experience these activities under the big tent.

Health and School Kits will not be assembled on Saturday by the children as in past years. Instead 1,000 School Kits will be assembled on Friday beginning at 1:00 p.m. and continuing until all are filled. Volunteers are needed for this project.
