

## From the Desk of District Executive Minister John Jantzi

Of real concern is the possibility of congregations and individuals becoming isolated by circumstances and mandates. In order to assist with this issue, the following individuals have consented to be part of the District's "connecting" strategy.

1. Jan Orndorff - Sugar Grove
2. George Bowers - Antioch
3. Nancy Scott - Smith Creek/Friends Run
4. Frank Tusing - Damascus/Crab Run
5. David Miller - Montezuma
6. Jon Prater - Mt. Zion-Linville
7. Bob Johnson - Middle River
8. Johnny Hawkins - Cedar Grove/Ruckersville
9. Duane Painter - Newport

The Connecting group's function is to be eyes and ears for needs and prayer concerns that are present in neighboring congregations and surrounding communities.

Congregational Care Team members will be in contact with these individuals to gather/compile needs and requests and, in turn, work with the District Office to make the needs known. In addition, the Congregational Care Team will stay in touch with individual congregations as needs arise.
