

Karis is a nonprofit organization birthed from the vision of the Pleasant Valley congregation and is maintained by volunteers. Through reselling consigned items, money is raised to "help and serve others with kindness, love, and compassion by offering a caring place that fosters changes in the lives of people in response to God's creative work in us." In its eighth year, Karis continues to set new sales records for consigned furniture and fixtures.

The Karis store maintains a fully stocked showroom and offers a place to resell quality consigned items. Pick-up and delivery are available. Consignments are accepted, space permitting, on Fri. from 2 to 4 p.m. and Sat. from 10 a.m. to 1 p.m., along the side of the building indicated by signage. Items must be in condition to resell. Chipped, stained, torn, broken, or heavily worn items will not be accepted. Call (540) 248-4511 for more information. Items that are not needed are listed at:

<http://karisgifts.org/consign/>.

In addition to the showroom, there is a cafe that offers the finest fare around. Lunch is served from 11 a.m. to 2 p.m., Thurs. through Sat. To view this week's menu, go to:
