

# OUTSIDE AUCTION & SALE

Again this year, we will feature an outside auction on Friday, May 19 from 1:00-6:30 pm. The smaller items, selected by the committee, from what arrives will be included in the silent auction. The larger items will be auctioned on Saturday, either outside or in the regular auction depending on number of items at approximately 9:45 am. We are looking for new and gently used items to expand these outside auctions. Encourage your groups and individuals to build swings, storage buildings, children's playhouses, picnic tables, outdoor furniture, etc.

**These auctions are not intended to be a yard sale. The items should be good and of use. Church representatives may want to screen items that are donated.**

**A description and or picture of the large and new or antique items may be featured on [auctionzip.com](http://auctionzip.com) if sent to [bettymorris0322@aol.com](mailto:bettymorris0322@aol.com) by April 1, 2017. Please let Bob Armbruster, chair of the committee know of these items. His e-mail is [rarm5208@gmail.com](mailto:rarm5208@gmail.com) or 540-433-4748.**

Based on previous auctions and input from auctioneers, below are examples of items that sell and those that are non-usable . Consider whether the donation would be an item of interest to someone.
