

# Share-A-Meal Update

The Shenandoah District Disaster Ministries Auction Coordinating Committee invites YOU to be a host or hostess for Share-A-Meal.

## Wait! What is Share-A-Meal?

Good question. Share-A-Meal is specially designed to be a fun way to raise money for Disaster Relief as well as a way to meet people in a comfortable environment-someone's home. If you love to host meals, this way to support the Disaster Auction is for you! So, whether you cook the old-timey way or you prefer to impress the palate with gourmet cooking, you are eligible to host a Share-A-Meal. You pick the date and the mouth-watering menu, get ready for your guests, and let your Share-A-Meal representative do the rest.

## How many people do I have to serve?

How many do you want to serve? Any number is perfectly fine, whatever you are comfortable with (2, 4, 6, 8, etc.). Remember, you will want to converse with your guests.

## But, what do I feed them?

Whatever you desire. Your menu could range from gourmet to good ole country cookin'. Old family recipes to the daring and unusual are welcome. This is a time when variety will thrive. It's your choice! So, dream up something that you would consider tempting enough for you to make a trip to someone else's home. Tickets will be \$20 per meal.
