

Sow and Grow Reminder

Don't forget your Sow and Grow projects for this year! If you took an envelope last year and haven't started a project, it's not too late! Need some ideas? Here are some successful ones from the past few years to get you started.

- Make and sell:
 - Pies
 - Cakes
 - Bread
 - Cookies
- Grow and sell veggies/flowers
- Make pot holders
- Cut and sell firewood
- Make and sell pickles
- Be creative!

Collected Sow and Grow money can be brought to or sent to the District Office, or brought to the Sow and Grow booth during the Disaster Response Auction. Checks should contain "Sow and Grow" on the notation line.

Any questions can be directed to Catherine Lantz at 540-896-7556 or at rubycath@aol.com.
