

# Healing Service

Fourth Sunday Evening Each Month at 6:00 PM

Do you believe God is good enough to bring healing into your life?

Can you find a community of people who do believe God is good enough to carry out His promises of health and wholeness and purpose for us?

Please join us as we use the ancient resources of anointing with oil, laying on of hands, Scripture reading, Biblical teaching, singing, and group sharing of prayers for God's healing!

You need not be alone - connect with us as we enjoy the promises of God and rediscover His purposes for our lives.
