The ministers and members of First Congregational Church thank you very much for your gift of financial support. The needs continue to exist and even expand as we endeavor to live into our statement of mission: *"A traditional and nurturing church celebrating God's grace through reason, education, diversity, inclusion, and social justice."*

We have been blessed greatly, yet know that great challenges and opportunities lie ahead. We believe that God is still speaking in ways that create, redeem and sustain life in each of us through us and in the world.
