Ministry Opportunities at First Congregational Church

We are all called to serve God in many ways, with many gifts. Serving one another with our time, energy and talents is a vital ministry, whether in Winter Park, around the nation or across the globe. First Congregational Church volunteer ministry opportunities offer ways for you to serve. See the other side of this sheet for more information on each of these important ministries.

Safe Church Program

As part of our safe church program, all key volunteers working with children and senior citizens must undergo and pass a background check before being allowed to participate.

Anyone driving children or youth or senior citizens for the church must pass a driver's license screening. Contact Mary Joe Searl for screening at 407-647-2416 (102)

NOTES:
