Google Apps

Standard Edition

This will provide you with up to 50 email addresses and unlimited aliases (nicknames).....**all for FREE**. You will still be able to access your webmail by going to mail.yourdomain.com as well as use POP3 or IMAP with Outlook clients. You will also be able to use [mobile devices](#) with this email service.

[Standard Edition benefits](#)
[Mail Sending Limits](#)

- Gmail accounts
 - 7GB email storage per user
 - Email on the domain - user@yourdomain.com
- Google Calendar
- Google Sites
- Google Docs
- Send only 500 emails within 24 hrs.
- Send to 500 recipients at one time

Education (Non-Profit) Edition

If you would like to upgrade to the next level, Education (Non-Profit) Edition, which includes everything offered in the Standard Edition, but offers **ad free service** as well as a higher sending limit, then you will need to provide to us your Employer ID / Federal Tax ID number (e.g. 00-1234567. A dash is required after the first two numbers. [Learn more.](#)) When the Apps account is created, it starts out as the regular Standard Edition. Once Google approves the Employer ID / Federal Tax ID number (about 3 weeks), the account will be upgraded to the Education (Non-Profit) Edition. Learn more about the [Education \(Non-Profit\) Edition](#). (Pay special attention to question number 10.) There is **no cost** involved for the Education (Non-Profit) Edition.
