

Specialty Paper

Simple and easy to use!

Quality specialty paper from Central Services is the quickest and easiest way to order multi-purpose paper for your organization. Also, you get great prices because we order in large quantities and pass along the savings to our client partners. Compare prices and you'll see the savings and guaranteed quality supplies we offer!

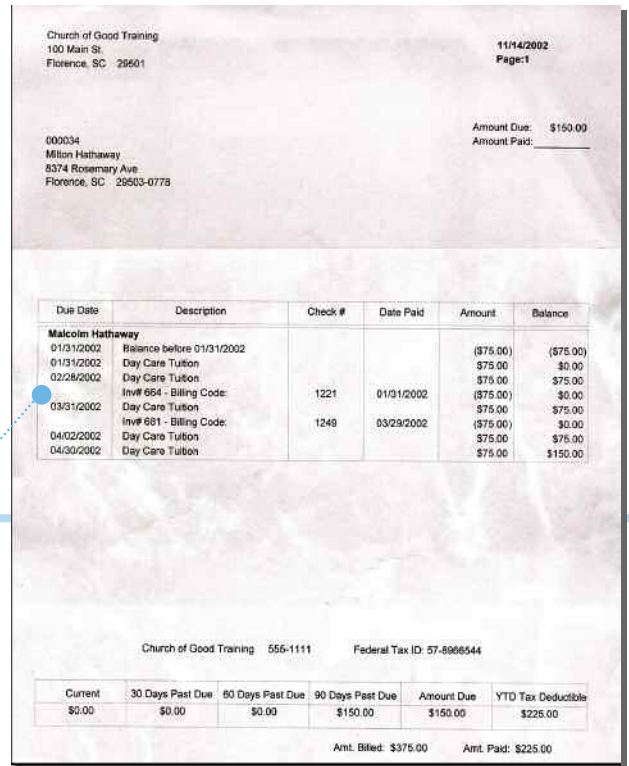

A Perforated Paper

Perforated laser paper works well for statements, memos, and other communications that need a professional look with the option of easy record-keeping with stubs.

- Solid screen above perforation and marble background below perforation
- 20# laser bond

Item 12575Laser Marble Stock, 8 1/2" x 11"
