

Checks, Mailers & Accessories

Make an impressive statement!

Your organization can benefit from professional check forms. Competitive prices. Great colors. Excellent service. Guaranteed to work with ACS programs.

A Laser Check

Want the convenience of printing single or multiple checks quickly from your laser printer? Create a check with an itemized list of labor hours, expenses, or multiple invoices printed on perforated stubs. Keep one stub for the office, and your staff keeps one for their personal record-keeping.

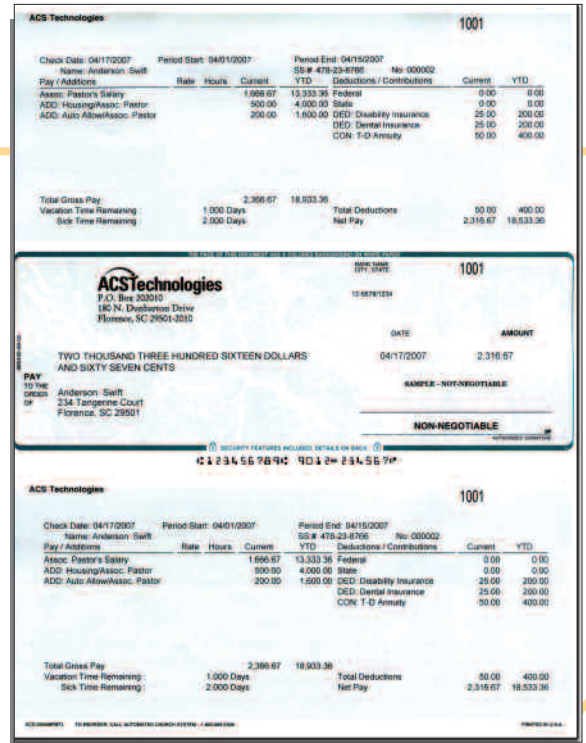

- Attractive solid and marble background colors

Item 12055Laser check 8 1/2" x 11"
(includes two stubs, one for check and one for office records) (Shown)

Recommended for use with window envelope 12111 or 12563. Window envelope 12120 is also available. See page 7 for details.

Keep your check copies organized with check binders. See page 11 for details.

Linen Backgrounds

Marble Backgrounds

(Black is only ink color provided at no additional charge for laser checks. Other ink colors available at an additional charge.) See order form for details.

"It's great working with Forms and Supplies! Prior to using them we had such difficulty printing our statements correctly. The forms work flawlessly with our software."

- Brenda, Florida

Checks, Mailers & Accessories

C PSMailer (Self-mailing)

Pressure seal self-mailers save time and money. No more trying to find volunteers to stuff envelopes! Designed to be printed, folded, sealed, and mailed in much less time than conventional printing and mailing processes using envelopes. Designed for use with PSMailer ISM equipment.

- Use with mail merges within ACS to create any document you need. Examples would be: Sunday School Promotion Announcements, Special Functions, Event Promotions, Reservation Confirmations, Letters to the congregation and much more. 8.5" x 14" provides additional stub.

Item 120568.5" x 11" PSMailer checks (self-mailing).* Available in Z fold (available in dark blue, teal, burgundy)

Item 120588.5" x 11" Blank laser stock.* Available in Z fold (Shown)

Item 120598.5" x 14" Blank laser stock.* Available in Z fold

Item 120628.5" x 14" PSMailer checks (self-mailing).* Available in Z fold (Shown) (available in dark blue, and burgundy)

* The recommended shelf life for pressure seal self-mailers is 3-6 months.

Fold! Seal! AND Mail! No more tracking down volunteers! See page 11 for details on the PSMailer ISM equipment.

D Deposit Tickets

Save time with your organization's name and account information pre-printed on your deposit tickets. Space for 23 checks on each slip and includes carbonless copies for efficient record-keeping.

- Pre-printed with church name and account information
- Personalize with your company, name, address, and account number
- Compatible with ICR (Image Character Recognition) equipment
- First time orders: send deposit ticket or bank specification form
- Two, three and four-part forms have space for 23 checks, plus currency total
- Includes carbonless copies for church records
- Available bound in books or individually

Item 12020Two-part deposit ticket (individual) (Shown)

Item 12025Three-part deposit ticket (individual)

Item 12026Four-part deposit ticket (individual)

Item 12021Two-part deposit ticket (bound w/cover) (Shown)

Item 12028Three-part deposit ticket (bound w/cover)

Item 12029Four-part deposit ticket (bound w/cover)

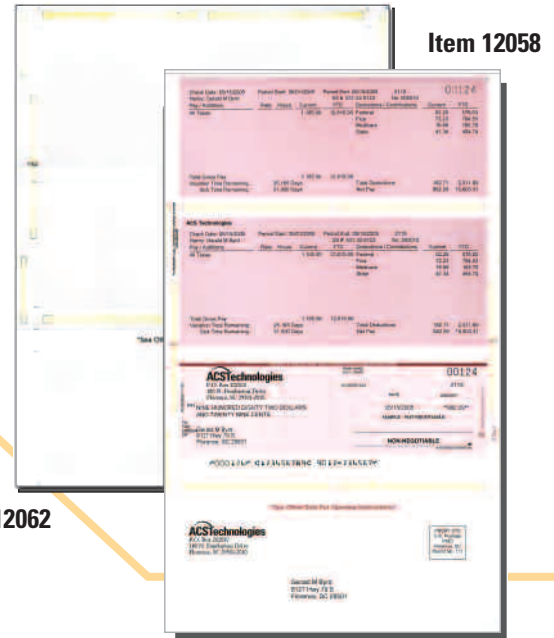

E AutoGraphic Software

Save time authorizing checks with AutoGraphic software! Electronically sign checks with security features in place to protect signatures.

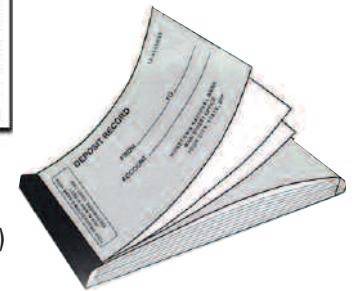

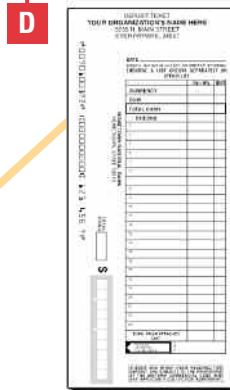

- Encrypt signatures and secure graphics to be unlocked with a specific password
- Review documents prior to adding signatures or security graphic
- Improve office efficiency by eliminating signing by hand

Your first step to enhanced check fraud protection.

Call about customizing your bags!*

G Security Deposit Bags

Safely deposit contributions and funds with SECUR-PAK Security Deposit Bags. Traceable by numbering printed on the bags and tamper-evident with serrated edging adds an additional internal control.

- If an attempt to open the sealed bag is made, serrated edging will self-destruct by tearing into small pieces
- Sequential numbering, both on the bag and removable receipt, allows each bag to be tracked individually
- Adds an additional internal control
- All sizes have outside pouches to hold deposit tickets
- Make your deposit at any bank (where night deposit is available), no key required

Item 120159" x 12" Security bag, single compartment - 100 per box (white) (Shown)

Item 120169" x 12" Security bag, single compartment - 100 per box (clear)

Item 1201712" x 16" Security bag, single compartment - 100 per box (white)

Item 1201812" x 16" Security bag, single compartment - 100 per box (clear)

Item 1201915" x 12" Security bag, dual compartment - 100 per box (clear)
