

Conversation Partner Agreement

I agree to:

- Meet once a week for at least an hour with my conversation partner.
- Be actively in prayer for my conversation partner and build a relationship with them in hopes of sharing Christ.
- Treat them with respect and not cancel our conversation meeting unless it cannot be helped. I promise to give them 24 hour notice if a cancellation is made and I will reschedule with them at that time.
- Help my Conversation Partner gain a better understanding of the American culture and the English Language
- If for some reason I find myself uncomfortable with my conversation partner situation I will talk with the Conversation Partner Coordinator immediately regarding the situation.
- If I find myself unable to fulfill these requirements then I will notify the Conversation Partner Coordinator so a new conversation partner can be found for my international friend.
