

Process for Developing a Stewardship Ministry in Your Church

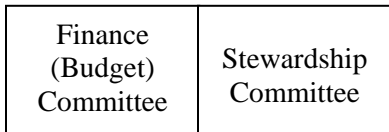

Step 1 Create a Stewardship Committee/Team

- Enlarge the current committee to include.
 - Annual Ministry Financial Plan (church budget)
 - Year round stewardship education and Annual Ministry Financial Plan promotion.
- Create a new committee/team to promote and educate in stewardship

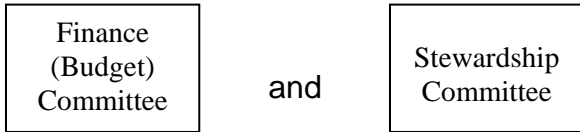

Current Committee Structure

Enlarge Current Committee for Dual Purposes

Create a New Committee/Team for Stewardship Education and Promotion

Use *Catch the Vision... Guidelines for Developing a Strong Stewardship Ministry*.

Step 2 Define Responsibilities

- Enlarged current committee
 - Develop and “monitor” the Annual Ministry Financial Plan (Finance)
 - Educate congregation in Biblical Stewardship year round. (Stewardship)
 - Promote Annual Ministry Financial Plan (Stewardship)
- Create a new committee/team to promote and educate in stewardship
 - Educate congregation in Biblical Stewardship year round.
 - Promote Annual Ministry Financial Plan

Step 3 Select A Broad Age and Education Group of People

- **Annual Financial Ministry Plan**
It is important to have some “accounting minded” people to prepare and “monitor” the Annual Financial Ministry Plan. However, there should be a balance of “ministry minded” and “accounting minded” people in this group.
- **Stewardship Education and Annual Financial Ministry Promotion**
This group of people should be composed of those who are very creative such as, writers, organizers, visionaries and graphic artists. Can enlist help from congregation as needed.

Step 4 Training

- **Self Training**
Review the resource: *Catch the Vision, Annual Promotion Ideas and Building a Church Budget Wall for the Kingdom.*
- **Onsite Training**
Provided by SCBC Stewardship Development Office
- **Regional and Associational Training**
Regional and Associational training will be led by the Stewardship Development Office. Bring your new Stewardship Ministry Team and learn how to enlarge your stewardship ministry within the church.
