

Stewardship Moments-

Rev. Jim Chandler

We make a living by what we get, but we make a life by what we give.

Ask not what you can give to your church; rather give as Christ has given unto you.

Adapted from John Fitzgerald Kennedy

According to Scripture we must all give an accounting. Since God is the accountant, it pays to be good stewards.

If growing is knowing, and if living is giving, then Who we know and what we give defines our lives.

If you have not been blessed, then do not give. But...

Poetic Prayer: *Dear Father, as Sun sets upon this day,
With every sign of endless rush making sport of fickle time
I pause to count the gifts of faith and measure well the grace of God.*

Verse Prayer: *Lord, I didn't make what I have, and I didn't mold what I hold, but if what I see belongs to me, it is because of Calvary.*

Personal Prayer: *Lord, thank you for me. Thank you for You. Thank you for all that You have brought my way. May I manage well my time, my talents, and my treasure. And, may those You've brought along to share my way know the grace of Your love and provision.*
