

THE COOPERATIVE PROGRAM

The Cooperative Program

**Is a system that links
churches with all
Baptist work.**

**Enables the smallest
to the largest Baptist
church to have an
impact on the world
for Christ.**

The Cooperative Program

**Grew out of a need for
stable, predictable
support for missions
and Baptist institutions.**

**Is a voluntary giving
effort of local churches.**

**The Cooperative Program
prevents Baptist missions
and ministries from
having to spend large
amounts of resources on
fund raising.**
