

Parent Information

Handbooks

At his/her first club meeting your child will receive a fun introductory brochure to complete. After completing the brochure, your child will begin working in a handbook. It would be ideal if your child completed two sections per week in the brochure and handbook. Each section ends with space where the leader signs his or her name.

As a parent, you are the most important part of your child's spiritual development. We see you as the owner of an entire toolbox of methods that help your child grow and mature. Awana can be one of your tools--one that we hope you choose to use for many years in your child's life. Just like you do when you help with homework, we want you to help your child review the verses he or she is learning in Awana.

UNIFORMS

Cubbies and Sparks uniforms will be vests on which they place their awards and patches. The T&T clubber uniform will be a t-shirt. Along with wearing the uniform weekly, all children need to wear tennis shoes to be able to participate in game time.

The cost for the handbook and uniform is covered by the \$20 paid at the time of registration. If you need financial assistance please contact Pastor Marty Price at (864) 232-7312.
