

fellowship of believers

“I pray you will be the light of the world where God has placed you at this time.”

—Judy Murray

“Needs are everywhere around us....We need only be sensitive and open our eyes and ears.”

—Linda Garner, former BNF president, 2005

“Christian nurses have a sense of God’s call to the ministry of promoting, maintaining, and restoring health for the whole person: body, mind, and spirit.”

—Dorothy McPhail, service/missionary nurse liaison

Health-care professionals have the unique skill set to imitate Jesus’ ministry in people’s lives.

Connect with other health-care professionals and help heal hurting people.

BNF

A national nonprofit organization dedicated to spiritual growth and fellowship of Christian health-care professionals

Baptist Nursing Fellowship is designed to help health-care professionals utilize their talents to fulfill their desires to serve God. This includes a person who is educated and licensed in the provision of health care, such as nursing, nutrition, pharmacy, medical laboratory technology, physical therapy, occupational therapy, radiation technology, or other health-care areas.

Become a member of BNF, connect with local and national groups, and discover how you can minister to the sick and suffering.

wmu.com/bnf

- We aspire to empower members through studying the Bible, worshipping, witnessing, and sharing Christian experiences.
- We endeavor to present and participate in planned nursing and health-care programs in a variety of areas of interest to nurses based on the assessed need of the nurses.
- We strive to expand global Christian nursing service and personal involvement through mission support, education, and health-care activities.

*“When He went ashore,
He saw a large crowd,
and felt compassion for
them and healed their sick”*

(Matt. 14:14 NASB).

BNF is a national nonprofit that connects nurses and health-care professionals through professional fellowship, continuing education, and missions and ministries.
