

BGR IN-HOME CARE KIT SHOPPING LIST

Baptist Global Response has researched and worked with partner organizations to determine the best resources to include in the kits. For uniformity in packing and shipping as well as customs approval in recipient countries, please only provide completed kits that match the detailed list. Varying kits and materials may delay shipments and in some cases may mean that the kits will not be accepted into a country.

- One kit will cost around \$100 or less.
- You will need one Baptist Global Response label per kit to put on the outside. Please send your name, address & number of labels needed to bgrbuckets@gobgr.org or call 866-974-5623 to request labels.
- There are four items that MUST be purchased at Wal-Mart: 1) Equate Multi-Vitamins, 2) a thin towel, 3) a fitted vinyl mattress protector, 4) Baby Connection Waterproof Flat Quilted Multi-Use Pads (2-pack). Product codes are provided within the list below.
- In addition to the above, it is extremely important to use the white bucket, purchased at either Wal-Mart or Lowes. Product codes are provided within the list below.
- All kits must include all of the requested items. You may have people who are very generous and provide extra materials. For example, after completing five kits, you have 10 extra packs of straws. Please do not put these into a bucket and ship them. If you have extra items, please contact Baptist Global Response at bgrbuckets@gobgr.org to determine the best course of action.
- Please purchase new items and, when stated, use only the brands included on the list.
- Please, refrain from adding cards, letters, photos, directories, bulletins or ***any*** other items that are not specifically identified in the instructions. Good intentions can inadvertently cause delays with customs or compromise the safety of our partners living in the field.

For shopping convenience, the list is grouped according to the Wal-Mart department where you will find the item. However, except for the specified items, it is not necessary to purchase all items at Wal-Mart. Approximate Wal-Mart prices are listed on some items to help you as you shop and compare.
