## 2007-2008 Update

### **New Consultant for Children's & Youth Bible Drill**

Let me introduce myself to the many dedicated Bible Drill leaders. I am Caroline Perez from Florence, SC. My husband is an Associate Pastor at Southside Baptist in Florence. We have a beautiful daughter, Hannah Moriah, 22 months old, and are expecting our first son in October. I have been involved in Bible Drill for 9 years, and my husband was a participant as a child. I am honored to accept this position with the highest regard for the excellent service that Tracy Spires has given the program. Some items in print may change, but a love for children and youth memorizing Scripture will remain the same. I look forward to assisting you along this journey of Bible Drill.

#### **New Contact Information**

Phone: 1-800-723-7242, Ext. 4122

Website: [www.scbaptist.org/childhood](http://www.scbaptist.org/childhood)

### **Green Cycle of Bible Skills, Drills and Thrills**

This year's Green Cycle of Bible Skills, Drills, and Thrills (BSD&T) has been updated and released. LifeWay updated the computer games with better art and corrected the activities with the two verses that have been changed in Holman (Matthew 4:10 and John 15:12). The Holman Verse cards have also been corrected with these two verses. If you purchased the BSD&T Green Cycle three years ago and use either KJV or NIV, you probably need only to invest in some new CDs. If you purchased the BSD&T Green Cycle three years ago and use Holman Christian Standard Bible, you may want to look at the changes in the updated Green Cycle to help you make a decision about purchasing the new updated curriculum.

### **Video Demonstration**

The way a child handles and uses his Bible during a drill makes a great difference in the few short 10 seconds. Many Bible teachers desire more instruction in the handling of Bibles during the Drill. The correct use and technique of searching in the Bible can help a child have greater success. Before you begin your class this year, please review the video demonstration provided on the internet ([www.lifeway.com/kids](http://www.lifeway.com/kids) under topical index, under Bible Drill) and BSD&T Curriculum CD. From the start of your class, help the children to practice these techniques to increase the ease and speed of finding books and passages. You may even want to show the video to the children (the correct way and the incorrect way). Taping your own children could always be an eye-opener for some children on their own technique.

### **Website Helps**

We would like to add more Bible Drill information and helpful topics on the South Carolina Baptist Convention's childhood web page. Posting information on the internet rather than sending it through the mail will make it more readily accessible to many Bible Drill leaders. If you have suggestions for possible items to include on the web page, please let us hear from you.

*"No, the word is very near you; it is in your mouth and in your heart  
so you may obey it" Deuteronomy 30:14*

*"I will put my law in their minds and write in on their hearts." Jeremiah 31:33*
