

2011 Young Musicians Camp Class Offerings

INSTRUMENTAL

- A. Beat It!** – Learn the basics of playing drums.
- B. Guitar** – For those who want to learn to play the guitar. (You MUST bring a guitar to Camp.)
- C. Guitar II** – For those who are experienced in playing the guitar. Participants must be able to change chords without breaking the strum pattern on these chord changes: G-C-D-G and D-G-A-D. (You MUST bring a guitar to Camp.)
- D. Handbells** – For campers who would enjoy handbell ringing (no experience necessary).
- E. Harmonica** – Learn the basics of playing the harmonica. Harmonicas will be available for \$6.
- F. Keyboard** – An introduction to learning to play the piano. This class is for those who have NEVER had ANY piano lessons. There is a \$9 book fee for this class.
- G. Mallet Instruments** – Campers will play a variety of keyboard percussion instruments including xylophones, metallophones and bells, as well as percussion instruments designed especially for children.
- H. Recorder** – Learn to play the recorder, a flute-like instrument used in schools. Recorders may be purchased at Camp for \$6 or you may bring your own.
- I. Strings** – An opportunity to learn to play the violin. This class is for children with NO strings experience. A \$10 violin rental fee is required for this class and will be paid at Camp.

SPECIAL INTEREST

- L. Balloon Sculpting** – Learn the basics of balloon sculpting and how to sculpt several balloon creations. This class has a \$10 materials fee which is to be paid at Camp. (Recommended for older children only.)
- M. Banners** – Help design and make worship banners for Camp.
- N. Creative Movement** – Interpret songs using a variety of movement.
- O. Drama** – Learn to use drama as an expression in worship.
- P. Puppets** – Learn how to operate a puppet and produce skits.
- Q. Sign Art** – An introduction to the basics of using sign language. Campers will learn to sign a few songs.
- R. Singing** – Improve your singing voice with fun activities.
- S. Stomp!** – Make music with a beat using everyday items such as trash cans, pails, etc.
- T. Takin' It to the Streets** – An introduction to activities that can be used to draw a crowd at Block Parties, on mission trips, outreach etc. Topics covered include face painting, juggling, plate spinning and illusions.
