

# Associational Missions

One friend we have is the local Baptist Association. Through the Association, churches join together to provide needs and volunteers for missions in our own part of South Carolina. People need to hear about Jesus everywhere! Let's learn a little bit about our Association.

Our church is in the \_\_\_\_\_ Association.

South Carolina is broken up into different geographical sections. Each section is called an Association. Each Association has one leader who helps all the churches in that Association with various needs, mission projects, activities, and events. This leader is called a Director of Missions or an Associational Missionary.

Our Director of Missions/Associational Missionary is \_\_\_\_\_. Color in your Association.
