

# Scholarships

**Has God laid a place on your heart to serve that you can't find in this booklet?** BCMissions will provide 10 Scholarships at \$500/each. These scholarships are for students that are serving solely through the IMB internationally or for non-Baptist students serving in North America through the North American Mission Board. Scholarship students apply directly to either the IMB ([www.thetask.org](http://www.thetask.org)) or NAMB ([www.answerthecall.net](http://www.answerthecall.net)) and then request scholarship assistance from the SC BCMissions Fund via [www.goandsend.org](http://www.goandsend.org). There you will find a button that reads "Scholarships." Click on that button and apply directly there for the scholarship.

**Note: you do need to apply for the actual project via IMB or NAMB before applying for the scholarship.**
