~Bio~

As a lifelong lover of music and a true friend of God, in 2006 I began searching for whatever talent God may have given me in order to use it for his glory. He led me to singing! Without knowing how to read music or sing formally, I developed rapidly and sang my first solo in April 2007. Since then, I have not looked back. This past January 2011, I was honored to sing in the Prayer Service for the inauguration of South Carolina Governor Nikki Haley. I don't know what is in store the future, but I do know that singing has given me the opportunity to reach others in ways that I otherwise would not have been able.
