The 2019 theme for North American missions of the SBC is "On Mission *Here and Now*. Join with other churches March 3-10, 2019 to pray for our missionary efforts throughout North America. Also encourage your church to participate in the Annie Armstrong Easter Offering. All gifts will be directed toward missions and ministries to reach the unsaved and unchurched of North America. Consider partnering with missionaries to make a difference by sharing Jesus Christ through a missions experience in your church. Invite a NAMB missionary to share their ministry with your church. Pray for our SBC missionaries and their needs as they share the gospel of Jesus Christ.
