From Your Associational Missionary:

There are so many ways to share Jesus from now to the end of the year. This Thanksgiving holiday is a reminder of how much God has blessed us, but also it is a time to share with others who need a touch of the Masters hand through your hand. The personal touch of a meal shared, or a gentle touch to a person in a nursing home, or a kind word at just the right time may be the best testimony of your faith that you will ever share. People are looking for how much we care, and then you will be able to share how much Jesus cares for them. Love someone to Christ today. Also, this is Lottie Moon Christmas offering time. Please help our foreign missionaries be able to share Jesus to the ends of the earth.

NEW Feed A Hungry Child in Pickens County The only meal many children get may be at school. On the weekend that means they do not have proper food. Cost to feed a child is about \$4 per child for the weekend or \$128.00 for a whole year. The committee has made much progress and at present we have enough funds to meet the needs of children in four schools. This is in our Jerusalem. Call Ron Duncan for more details at 878 2456 or go to the website at <http://www.pickenschildren.com/>
